

WOO WOO

death makes the heart grow stronger

“Don’t pickle me away as a done”
~ EMILY CARR

Emily Carr may be deceased, but she’s not ‘done’.
She has more to confess, redress, and repair.
Truth and consequences notwithstanding,
Scottie Watson decides to help.
Now, paranormal is the only road to take
in order to reunite lost lovers,
and to discover that
love means always having to say you’re sorry.

*I wanted Miss Emily Carr to embrace
that fierce ‘immense love’ she refused so many
times, and I so wanted Martyn to win the heart of
his beloved Millie. The steamer Willapa, may have
been a common star-crossed float, but what if it had
been more? Who amongst us knows how many
unchartered romances have passed us by,
unrequited in the night? Why is lost love
such a many-layered thing when
your best friend is a Java
monkey named
Woo
